

Dear Parents,

Welcome to second grade!! I am very excited to be teaching your child this year! Our classroom is ready and so am I.

If your child did not bring in their school supplies today, please do so immediately. You can find the school supply list on the Arno website. These supplies will be community and are necessary to make your child's second grade year a success. They will be using them right away and should last the entire school year.

Please keep in mind that each child must share a cubby with another child. Therefore, space is a crucial issue. Trapper keepers will not fit into their cubbies or desks. Their red Arno folder is the right size to bring papers back and forth from school and home.

As always I am here for your child. I promise that he/she will experience a year filled with excitement and encouragement. Together we will watch your child grow in so many ways. We'll see missing teeth, skinned knees, character growth, new friends and a love for lifelong learning.

Now that your child has been placed in my care during the school day, our communication is very important for a successful year. If you need me for any reason at all, please contact me through email. If you are unable to use a computer on a daily basis, please let me know as soon as possible.

Meet the Teacher Night is right around the corner. I look forward to meeting those of you I do not know. Get ready for a GREAT second grade year!!

Sincerely,

Mrs. Schultz
