

Dear Families,

We will soon begin reading the book Flat Stanley by Jeff Brown. Flat Stanley loves to travel! Through this social studies unit, we will look at similarities and differences in our community and beyond.

In class, each student will be making their own Flat Stanley out of paper. As a class, we would like to individually mail each Flat Stanley to different places around the world.

Please choose a family member or friend that lives out of town. Choose wisely because not everyone wants Stanley to visit. Hopefully we will get letters back from a variety of places and discuss his different adventures. It is our goal to receive a letter from each student's addressee and from as many unique places as possible.

Before we begin, we need your assistance! Please provide your child with a **stamped** envelope by *Friday, March 17th*. It will save lots of time if you would address the envelope for your child before you send it to school. Please also write the following return address on the upper left corner of the envelope. We will be writing the letters in class.

Arno Elementary School
Mrs. Schultz's Class
7500 Fox
Allen Park, MI 48101

Thank you for your support,
Mrs. Schultz
