**Guided Reading:** We have begun rotating for Daily 5. I will begin meeting with groups at their current reading level.

**Whole Group Reading:** We will read Hannah's Townpeople.

**Math:** Students did great on their first online math test. Chapter 2 introduces various addition strategies. Please encourage XtraMath.org practice at home.

**Spelling:** We will be working with the short u sound.

**Writing:** We are continuing to build our stamina for writing.

**Science:** We will question why people explore and read about Christopher Columbus.

**Social Studies:** We will discuss our community.

## Dear Parents...

We had a great time at the Fun Run today! Some students ran 10 and 11 laps! Please remember to register your child and ask for donations. This is our PTA's only fundraiser!

I strongly encourage your child to use the numerous online teaching tools available at home: Front Row, XtraMath, Think Central, and Spelling City. These are great educational tools to enforce math, spelling and reading concepts. We try to use them in the classroom and on personal devices when we can. They are all available on my website.
